

CentralGui::passNorthTab  
WidgetPtr

MasterGui::MasterGui

```
graph LR; A[MasterGui::MasterGui] --> B[CentralGui::passNorthTab WidgetPtr];
```

The diagram illustrates a function call or data transfer. A box on the right, labeled 'MasterGui::MasterGui', has a blue arrow pointing to a box on the left, labeled 'CentralGui::passNorthTab WidgetPtr'. The left box has a light gray background, while the right box is white. Both boxes have a black border.
