

MasterActions::setNorthTab
WidgetPtr

MasterGui::MasterGui

```
graph LR; MG[MasterGui::MasterGui] --> MA[MasterActions::setNorthTabWidgetPtr];
```

The diagram illustrates a function call. A box on the right, labeled 'MasterGui::MasterGui', has a blue arrow pointing to a box on the left, labeled 'MasterActions::setNorthTabWidgetPtr'. The arrow originates from the right side of the 'MasterGui' box and points directly to the right side of the 'MasterActions' box.
